**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I recently had fiber brought into my neighborhood by a provider and was finally able to switch from my current cable provider to Sonic with gig speed to my house. With the busy work schedule its important for my wife and I to be able to have the nice high speeds to our house and the ability to not be stuck with one or two providers. Having more competition allows for the pricing to be more fair.
